Company profile

We would like to you introduce our company "M Management" which has been established in 2017 with a focus on the Lebanese market. M management, a Lebanese company established in 2017 and has branches and agents in the Arab countries such as KSA, Jordan and Syria.

M management is the sole agent and distributor of all DCP products in the Middle East with three branches in Lebanon located in the heart of Beirut and the north covering all of Lebanon. DCP is a multinational British company specialized in the fabrication and supply of all building materials up to the highest norms and standards.

M management has been certified by DCP as an approved applicator for all their products. M Management has a solid record related to the building's construction and maintenance, moreover providing a wide range of services such as Facade cleaning, Window cleaning, waterproofing, external/internal painting and tiling, concrete repair, facade maintenance. On the other hand, we **supply and apply** full range construction material by DCP a multinational British company... We have 3 branches for DCP in Lebanon, Beirut two branches and one in the South, Saida.

The company team have been through lectures and safety lessons to have the ability to work by the rope access system for applications, whether its maintenance or cleaning.
